Effective October 25th, 2022 to December 31, 2022

## Win BIG With ClearlyIP's End-of-Year Partner Sales Contest!

ClearlyIP is pleased to present a new incentive for Partners to register new Customers on Clearly Cloud and ClearlyIP SIP Trunking. Introducing the 'King of the Mountain' Sales Contest running from now until the end of the year. This exciting contest includes fantastic prizes to the top three Partners to bring new business in for Clearly Cloud or SIP Trunking on 3 year Contracts with their Customers. The top three Partners that bring in the highest new Total Contract value (TCV) will have their choice of prizes based on the category they have won. This promotion is applicable for Partners currently on an existing Agent referral/commission model ordering and purchasing Clearly Cloud and SIP Trunking services directly from ClearlyIP for their Customers that we bill directly. To qualify for the contest, Partners must bring on a minimum of \$1k/mo of total new business with a 36 month contract of new MRR Agent referral business by December 31st 2022. All deals must be closed by Dec 31st and placed within the Clearly IP Portal. It is not applicable for Certified Resellers on an existing ClearlyIP Partner Program who are re-billing or reselling services directly to their End Customers

**This contest is IN COMBINATION with the current 3X the committed MRR on all NEW Clearly Cloud referrals and SIP Trunking new business deals, of any system size, based on a minimum 36-month subscription period.**

We appreciate your hard work and want to reward our Partners for their dedication to selling ClearlyIP solutions.

Clearly Cloud offers every business a feature-rich cloud-delivered unified communications solution as a service. With a suite of powerful services available for businesses of all sizes, the platform is intuitive to use with endless features and benefits.

ClearlyIP's SIP Trunking offers reliability, scalability and enterprise features at an affordable cost. We make it easy to order, provision and manage your services in real-time, providing a smooth easy, business-friendly transition to the cloud. You can have your new phone service provisioned, installed and turned on remotely in just minutes.
